7. **DMDS:** In all SWBGA competitions a player may obtain distance information by using a device that measures distance only. If, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g. gradient, wind speed, temperature, etc.), the player is in breach of Rule 4-3a, for which the penalty for the first breach is General Penalty, for second breach it is disqualification, regardless of whether any such additional function is actually used.

The SWBGA request that Parents, Relatives, and Spectators keep an appropriate distance (25metres) behind the players at all times and must not communicate with a player.

If the Championship is oversubscribed then a ballot of the highest handicap competitors will take place immediately after the closing date for entries.

The handicap submitted at the time of entry will be used.

All unsuccessful entrants will be notified without delay, thereafter, but will be given the opportunity to compete if scratchings subsequently occur.

Entrance fees will be refunded to entrants balloted out and who do not compete.
